**INVITATION TO BID**

The City of Washington, Kansas, is inviting sealed bids for the purchase and “Turnkey Installation” of one and two 2,000 kilowatt dual fuel diesel/natural gas engine generator sets. The specific number of engines purchased shall be decided upon by the City Council. Bidders shall submit bids as a one-engine purchase and a two-engine purchase.

Sealed proposals will be received at the City Clerk’s Office, P.O. Box 296, 301 C Street, Washington, Kansas 66968, until 1:00pm on Wednesday, October 27, 2021. All bids should be sealed in an envelope with “ENGINE BID” clearly printed on the outside of the envelope. **Faxed, emailed or other electronic bids will not be accepted. Bids received later than specified hour and date shall be returned unopened.**

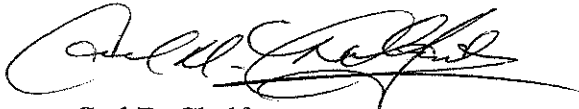

All submitted bids shall be honored for 45 days after the bid opening. Bidders are encouraged to submit more than one bid, if desired.

Bids will be opened at 1:00pm on Wednesday, October 27, 2021, in the City Council Chambers. Bids will be reviewed and a recommendation made to the City Council for consideration. City staff may contact bidders after bid opening for clarification, if necessary, prior to submission to Council for consideration on Monday, November 1, 2021.

The City of Washington reserves the right to reject any or all bids with or without cause and to waive any irregularities.

If you have questions, please feel free to contact Carl Chalfant at (785) 325-2284.

Sincerely,

Carl D. Chalfant  
City Administrator

**BID INSTRUCTIONS**  
for  
**Dual Fuel Engine Generator Sets**

**GENERAL**

The specifications that follow shall apply to the purchase of one or two 2,000 kW dual fuel (diesel/natural gas) engine generator sets for the City of Washington, Kansas. The City reserves the right to waive minor technicalities under this specification. Federal and State laws supersede any conflicting part of this specification.

Complete specifications and literature shall accompany the bid. Any exceptions to these specifications shall be indicated on the bid or on a separate attachment to the bid, labeled as such.

**SPECIFICATIONS**

The Dual Fuel (diesel/natural gas) engine generator sets shall meet the following specifications:

- Engines must be operational and in good condition.
- Engine control panel with pressure and temperature gauges and switches.
- Exhaust system with catalyst muffler RICE-NESHAP compliant and emissions monitoring system with Miramount monitoring.
- Intake air filter and silencer with crankcase “closed loop” vacuum system along with needed piping.
- Cooling Tower and associated piping with heat exchangers, and motors.
- Lube oil system with filters, piping, pre-lube pump, and heat exchanger.
- Jacket water pump and piping.
- Fuel oil system with filters, piping, and pumps.
- Natural gas regulators and piping.
- All foundation and footers needed.
- Any other items needed to make this a turnkey project.
- Removal of existing engine(s) must be included in bid.

Bidder shall also supply history of engines, including but not limited to maintenance logs, repairs, operation logs, and most recent place of installation and operation.

**ADDITIONAL REQUIREMENTS**

Bidder shall submit certificate of liability insurance verifying coverage equal to or greater than \$1,000,000 per occurrence.

Bidder shall submit verification of workers’ compensation insurance coverage.

Minimum of one year warranty is required on each engine.

**PERFORMANCE BOND**

Successful bidder will be required to submit a performance bond along with the final contract.

**SITE VISIT**

Interested bidders may request an on-site inspection/site visit by contacting City Administrator Carl D. Chalfant at 785-325-2284.

**TAXES**

This purchase may be subject to sales tax. Appropriate documentation will be supplied prior to approving the contract.
